## LOCAL IMPACT.

Your donation to United Way goes where you want it to—making an impact on the quality of life for your family, neighbors and friends.

## MEANINGFUL RESULTS.

We asked you where you felt United Way donations can do the most good and help the most people. We then found proven ways to help those in need—babies, students, aging adults and their caregivers, people in crisis and people with disabilities.

## UNITED & POWERFUL.

It takes all of us working together to build the kind of community for which we all hope and it takes your gift to United Way's Community Fund to help make that happen.
