## WOMEN'S LEADERSHIP COUNCIL

EDUCATE. ENGAGE. EMPOWER.

### Mission

**To mobilize the caring power of women  
to advance the Common Good in our  
communities.**

United Way  
of Ontario County

The United Way Women's Leadership Council (WLC) is a global network of more than 60,000 women in 155 communities across six countries, all dedicated to improving lives and creating stronger communities.

Join the United Way  
of Ontario County's  
Women's Leadership  
Council Today!

United Way Women's Leadership Councils are powerhouses of women's philanthropy. The WLC is a group of women making a difference in our community by donating a generous gift of their time, talent or treasure.

### Women are Unique

- Women are 43% of the nation's top wealth holders.
  - Women own over 40% of all businesses.
- Single women donate almost twice as much as single men.
- Married women give more than both single men and married men.
- Women give an average of 3.5% of their wealth to a charity, while men give an average of 1.8%.

We hope you'll join us in purposeful giving, and enjoy networking opportunities with other women who are making an extraordinary commitment to their community.
