**Why United Way?
Because we bring thousands of people together to:**

Invest in solutions.

You donate to United Way’s Community Fund. We invest in local programs that use research and prevention to get the best results for babies, kids, families and older adults.

Make connections.

You connect with us through campaigns, events, leadership societies and more. We unite the good will and resources of our community so that everyone can thrive.

Serve our community.

You help our community by donating to the causes you care about and by volunteering during the Day of Caring (on Thursday, May 16th). We serve our community by using best practices and partnering with service providers to help people in need.
