

WHY GIVE TO UNITED WAY

Families and individuals seeking assistance generally don't come to an agency with just one need. Financial hardship may have resulted from health or mental health issues, lack of job skills, or a need for quality childcare. It's imperative that the holistic needs of those in crisis are met. So when you give to the Community Fund, your dollars go to address all of the needs of a family.

DESIGNATING TO UNITED WAY OF ONTARIO COUNTY

Please designate your donation to the United Way of Ontario County's Community fund (#9012) to ensure your money stays local and helps build a better community.

OUR MISSION

To magnify and focus the power of community resources to address our most pressing social needs.

BELIEVE YOU CAN CHANGE THE WORLD

Here's what donations to
United Way of Ontario County's Community Fund did last year:

GAVE PEOPLE THE BASICS

4,450 students received support
beyond the school day

21,400 people and families received
support that fosters independence

29,300 people received legal and
financial assistance to stay in
their homes

PREVENTED ABUSE, GIVING FAMILIES A FRESH START

1,800 people had support
through counseling services

70 families had support
through hospice care

30,000 people received emergency
support for food, clothing or
prescription costs

OUR FOCUS

1

Student Readiness and Success

Provide students quality programs that
extend support beyond the school day,
including holidays and summer vacation.

2

Strengthen People and Families

Support programs designed to promote strong
people and families, independence, healthy
child development and minimize the risk for
child abuse and neglect.

3

Support People in Crisis

Provide support to programs that give relief
to those in crisis.

Let's advance student success. Let's strengthen people and families.

Let's help people overcome crisis.

You can help make all this possible . . .
